# MEMBERSHIP APPLICATION

*Memberships expire on December 31 of each year.*

The First Coast AutoCAD Users Group is affiliated with Autodesk Users Group International (augi.com) and is a non-profit organization located in East Central Florida whose main focus is to enhance and enlighten its members in the effective application of AutoCAD and other Autodesk products. This will be accomplished by holding regular meetings during which various uses of AutoCAD, hardware, third-party software, and CAD productivity issues will be discussed and evaluated.

Membership is open to all without regard to race, color, sex, national origin, religion or age.
